GOOD GRIEF! IT'S FEBRUARY!

This month usually has only 28 days. Except this year, 2024, is a Leap Year, which means February 2024 will have 29 days. We wondered if any of our members have a Leap Year Day Birthday. If you are such a member, or if you know of a non-member retiree who has a February 29 birthday and will be attending our February 8 luncheon/meeting, please let us know.

February is the time to wish our loved ones a Happy Valentine's Day on February 14. (Tony wishes his wife a HVD and a HBD, both on February 14!) It's not just our loved ones; it is a time we remember anyone who has influenced our lives and helped shape us to who we are now. It is also the month to honor those who led this country as President. Let us take time to remember them on February 19.

If you are planning to go to Florida with us in March, or to the Eastern Shore "Meet and Greet" in April, **NOW** is time to send in your reservations. Don't forget to also check our trip info...Blue Angels anyone? MD Day is coming up and the Free School has special plans to help celebrate. Our calendar is on the website, and we take pride in keeping it current.

The Maryland Legislature is now in Session. Virginia Crespo and Sharyn Doyle are our "Watchdogs". Stay abreast of the latest developments by checking the MRSPA website for legislative updates. Budgets are always a concern for the state legislature and our local school system. The Anne Arundel County Board of Education will be holding Public Hearings on its

budget. Their calendar is available on AACPS.ORG.

At the January 11 AARSPA Board Meeting, Louis Nesbitt, AACPS Business & Development Specialist, presented two (2) recognitions furthering our November 14, 2023, *Honoree* certification. First, AARSPA received an official plaque attesting to our contributions to Park Elementary School. Most notably, a Certificate of Appreciation was presented to Phyllis Cherry for her service and dedication as Community Service Chair. Congratulations to Phyllis! Special thanks to Sandra Blondell, Park Elementary School's Principal, for the nomination. Following the presentations, a lively discussion with Mr. Nesbitt took place in which members highlighted other services that AARSPA performs. Photos are included in this issue.

We also had another **WOW** moment on January 11. Tillie Barckley announced that the Estate of Emma M. Schramm had bequeathed \$10,000 to the AARSPA Scholarship Program. Following discussion, the AARSPA Board voted that the \$10,000 will be used for the 2025 Scholarship Year. Scholarship donations are accepted throughout the year. "An investment in knowledge pays the best interest" by Benjamin Franklin.

Finally, some heart filled words: *Be Kind; Send a "Thinking of You" card to someone; Be Gentle and Volunteer* and **SMILE YOU AND AARPSA.....A WINNING COMBO!**

# Silent Auction

There will be a silent auction at the Two Rivers Luncheon in May. All proceeds will be turned over to Matilda Barckley for the Anne Arundel County Scholarship Fund. Five professionally framed photos of the Blue Angels will start at 30 dollars each. To up the bid, simply add your name on the line below the preceding bidder and write your higher bid next to your name. After the luncheon, each picture will be presented to the highest bidder with the proceeds added to our teacher scholarship fund.

AARSPA members are amazing in our support of local organizations in need, our schools, food bank, animal control, the homeless and support for those living in

nursing homes. Personally, I know the satisfaction I feel when I am purchasing items to donate at each luncheon, even though I will never meet the people benefiting from my purchases.

However, I have started a new way of serving others. Each week I call someone with whom I have not spoken with in awhile. All are senior citizens, and many live alone. Research consistently has found that social isolation contributes to major health issues as well as a factor impacting the development of dementia . Of course social isolation is even greater in the winter.

I encourage you to call someone with whom you haven't spoken with in months or years. I am sure both you and your friend will be smiling at the end of the conversation. I just got off the phone with a friend from high school, and I will continue smiling as I leave the house to shovel the snow.

# NEW SCAM ALERT !

Beware of EVITES, apparently from a friend. An AARSPA member recently received a lovely card with instructions to "open here". Thinking it was unusual, she called the person who had supposedly sent it. They had not. If the email had been opened it, it would most likely have released malware on to her computer. It is better to be safe than sorry!

# News You Can Use

## Scams and Identity Theft

Much has been written warning us of the scams and the steps we should take to prevent being a victim. These steps include frequently changing our passwords, especially on any accounts involving financial institutions. This includes banks, credit cards and investment funds. For even greater security, we are encouraged to have two step authentication on those accounts.

According to law enforcement, everyone's passwords have been compromised at some time, and the risk gets greater each year with senior citizens losing the greatest amount of money. Just among senior citizens, the amount of money lost to scams and identity theft was up over 49% between 2022 and 2023. In this time period, over 800,000 cases were reported with losses of over ten billion dollars.

Discovering one has been a target of a scam or identity theft can be devastating to one's financial and emotional well being. However, there are steps one can take to improve the chance of getting the money back.

1. Contact your bank immediately. Sometimes they are able to stop a transaction and will block the account from further withdrawals .
2. Contact the government Internet Crime Complaint Center. When reported within 72 hours they are often able to prevent the transaction from being completed. (<https://www.ic3.gov>) This website also has additional information about protecting one from scams.
3. Contact the local police. A police report may be helpful as documentation for insurance purposes and taxes.

MRSPA recently presented a webinar with FBI Agent Keith Custer on scams and identity theft. This webinar is available for viewing by going to the MRPSA website.

# MEMBERSHIP NEWS

## Constant Contact List

As your membership team works to keep the roster updated, so does Bob Kanach work diligently to ensure that members receive the newsletter and other reminders by email. Constant Contact provides this service to us for a fee and also enables us to know who is and is not opening their email. Some of our members open their *Informer* on a regular basis while others are not so regular, thus missing valuable information about our association. To ensure all members are being kept informed, we then switch them to postal delivery. In turn, this adds to our printing and mailing costs. By receiving the *Informer* by email, you receive the information ahead of those receiving postal delivery. This poses an advantage for signing up for the luncheons and especially for our local trips! Think about opening your *Informer* when it comes and signing up for it if you are presently getting it by mail.

## MRSPA Dues Increase

After many years of keeping the state dues at \$45, the dues for 2024-2025 will increase by **\$5 to \$50 annually**. As with all things recently, the costs to MRSPA have risen for everything. At the present time, AARSPA does not anticipate increasing their \$15 dues membership. There is value in being a member of both associations. **Keep your membership active!**

## From the Free School Museum

Did you make a New Years Resolution to get involved in a new activity in 2024? Are you tired of winter and being indoors? Have you already cleaned out that closet or read that book you got for Christmas? The Annearrundell County Free School Museum could be your answer to these questions.

We certainly could use some more docents. Serving as a docent means opening the building and greeting guests from 1:00 p.m. - 4:00 p.m. on a Saturday or Sunday in April, May, June, July, or August. Docents receive two documents. One document lists what to do while opening the building, and the other document lists important historical facts. We will meet with you and answer any further questions you have. Please consider donating some time in 2024 to this amazing historical gem!

## Save the Date

On Sunday, March 24, 2024 from 1:00 - 4:00 p.m., the Annearrundell County Free School Museum will be highlighting a "Colonial Education" as part of the Maryland Day for All 2024 celebration. Colonial lessons will be taught. A schoolmaster will demonstrate how he supplemented his income by farming on the school property. A schoolmarm will demonstrate the preparation of johnnycakes and will provide a sampling. Other educational activities and colonial toys will be included as well. Come meet colonial characters and learn their stories.
