AARSPA members have been rather busy during the last few months! In late October, members of the Community Service Committee participated in the Annapolis Walk to End Alzheimer's, raising nearly \$5,000. On November 3, several members attended the very informative MRSPA Legislative Workshop in Annapolis. For those of you who are not MRSPA members, you may want to reconsider joining the state association. They are extremely supportive of all the local organizations and put in endless hours monitoring legislation that benefits all of us. On November 19, nearly 180 members and guests attended the luncheon meeting at CAT-N. Everyone enjoyed the meal prepared and served by the students, especially the desserts, and the entertainment by Tim Amann. MRSPA Vice President Nancy Gordon and Area II North Director Janet Williams presented a citation on the occasion of AARSPA's 75th anniversary. Food was collected for the Harvest for the Hungry campaign of the AACPS. On December 9, almost 100

AARSPA members and guests traveled to Baltimore for lunch at George's on Mount Vernon Square followed by the Baltimore Symphony's "Holiday Pops Celebration" at the Meyerhoff. At the request of the Community Service Committee, \$200 was allocated for a donation to the Salvation Army to assist a struggling family during the holiday season.

Looking ahead, we will be working closely with our legislative representatives to protect, and hopefully enhance, our pension plan. You can follow the bills and what the representatives do by accessing the MRSPA website. The Free School will be reopening in the spring and additional docents are needed as well as help with maintenance. The chorus, Voices in Melody, will be preparing for spring concerts and always welcomes new members. Plans are also being made for the annual Florida Get-Together in March and a spring box lunch cruise to Chesapeake Bay lighthouses. With a membership of nearly 2000 members, we need individuals to step up and assist the handful of members who do a majority

of the work. There is a lot to do to maintain the success of AARSPA. With your assistance, AARSPA will be around in full force to celebrate our 100th Anniversary in 2040! Please give me a call or e-mail to let me know how you can help.

I hope to see many of you at the February 11 luncheon meeting at the Blue Dolphin as we continue to celebrate our 75th Anniversary. Our speaker will be Fay Mauro, Executive Director of the Anne Arundel County Volunteer Center. Music will be provided by the Crabtowne Combo.

Happy New Year

WALK TO END ALZHEIMER'S

Dan and Debbie Ahalt, Karlie Everett, Jim Duls, Matilda Barckley, Phyllis Cherry and Carla Duls. Not pictured: LaShawn Brady, Sharon Henry, and Deborah Williams.

The morning of Sunday, October 25, 2015, began as a grey day with some drizzle. By the Alzheimer's Walk start time, the sun appeared.

Matilda Barckley, Carla and Jim Duls, Debbie and Dan Ahalt, Phyllis Cherry and Karlie Everett walked together for the two-mile route through downtown Annapolis. Deborah Williams, who was also a member of the "AARSPA From the Heart" team, walked with many members of her family in honor of their matriarch, Catherine DeJesus, who was cafeteria manager at Hillsmere Elementary. Sharon Henry and LaShawn Brady were also walkers on the AARSPA team.

AARSPA members can be very proud of themselves and their team. Out of 119 teams, the "AARSPA From the Heart" team ranked number 6, having raised \$4,865. We also had three Grand Champions Club members, Debbie Ahalt, Carla Duls and Deborah Williams, who raised over \$1,000 each.

For our first year participating in the Alzheimer's Walk, AARSPA can certainly hold its head high and be proud of its accomplishments! The planning committee members learned a lot and have great ideas for next year's walk. The planning committee members are especially impressed by the continued support from AARSPA members for the Community Service Committee efforts which include the Alzheimer's Walk.

AARSPA 2015 SCHOLARSHIPS

Emilie Andercyk, Abigail DelPrete, and Morgan Wolf

I would first off like to once again thank you for the scholarship! My college experience is amazing. I am excelling in all of my classes this semester. The course work is rigorous, but it is worth it because it is putting me one step closer to achieving my degree in Elementary Education.

Thank you once again,
Emilie Andercyk
Towson University

My classes are rigorous, but I have stepped up to the challenge and received good grades this semester. Outside the classroom, I participate in club Field Hockey, and I am soon going to be joining a program to help underprivileged children near my school. Thank you so much for awarding me your scholarship.

Thank you,
Abby DelPrete
Elon University

I'm doing very well in my major classes and in my general education classes. My favorite activity so far has been working at JMU's planetarium; this experience has really solidified my desire to teach. I am so thankful to have been given this opportunity to attend and succeed at my dream school.

Thank you again,
Morgan Wolf
JMU

Kate Downey of Arden House, a YWCA project in Arnold, serving women facing abusive situations, receives toiletries from Tony Anzalone and Karlie Everett. Toiletries were also delivered to Sarah's House near Ft. Meade.

On behalf of the "AARSPA from the Heart" Community Service Committee, AARSPA sent a \$200 check for a struggling family in the Annapolis area to the Salvation Army. The Salvation Army helps families in Annapolis all year long, and at this time of year, the organization helps struggling families with food, clothing, and toys for their children. As Major Allen Johnson, Corps Officer, wrote, "I hope your heart is filled with joy at Christmas!" Not only should AARSPA members' hearts be filled with joy at Christmas, but our members' hearts can be filled with joy all year long with our "AARSPA From the Heart" projects.

Once again, AARSPA members opened their hearts and gave generously to our Food Drive. At the November luncheon, we collected almost 200 canned

goods and almost 100 boxes of food products. In addition, \$85 in cash was donated. We also collected two large tote bags of toiletries which we accept at every luncheon for donation to senior living facilities as well as other charities. The food products were left at CAT-N for their donation to the school system's Harvest for the Hungry campaign. Committee co-chair Phyllis Cherry took the cash donations directly to the Maryland Food Bank.

DON'T FORGET!

At the February Luncheon, we will collect items for Van Bokkelen and Park Elementary Schools' healthrooms for children who have accidents.

- New underwear, socks, tights
- New or gently worn pants/shorts; jumpers/skorts; stretchy pants; short and long sleeve polo shirts; black or brown belts
- For schools with uniforms, the gently worn pants/shorts, jumper/skorts should be khaki, black or navy in color while polo shirts should be plain navy or white or blue in color. For schools without uniforms, there are no color requirements.
- Sizes should be 4T to 10.

In April 2016, the Anne Arundel County Department of Social Services will hold the annual **Homeless Resource Day**, offering services to over 440 adults and families. Over 90 organizations, including AACPS, donate time, services, and goods. **TRAVEL-SIZE toiletries** collected during the February luncheon will be donated to this event. Please donate only **TRAVEL-SIZE** items.

FREE SCHOOL NEWS

Tours and Field Trips

The Open House season as well as the autumn tour and field trip season has finished for 2015. Carolyn Webber and Mary Dunlap and I have given tours to students from St. Martin's in Annapolis and to students from Rockbridge Academy. We've also given tours to the Broadneck Questers group and opened the Free School Museum as a meeting place for the Chesapeake Doll Club. Bob Kanach has opened the museum as a meeting site for the Cheval Trails Community Association.

During one of the student field trips, we asked the students if they thought they would enjoy attending school in the 1700's. One boy emphatically replied "no." When asked why he wouldn't have enjoyed attending, he said, "No video games." Later in the tour, when we were playing "Anty, Anty Over The Shanty," a game where we divide the group into two teams placing a team on either side of the building and trying to toss a ball over the roof, I went up to the same boy as he waited for the ball to come over to our team. I said something to him about preferring to play a video game. He replied he'd rather be playing "Anty, Anty Over The Shanty." I think he will remember the experience from the Anne Arundell County Free School Museum for quite some time! And, we will remember having reached one student!

Artifacts

Our boxes of more than 1,600 artifacts are on loan to Anne Arundel County Archaeology, Planning & Zoning/Cultural Resources Division. The artifacts from the Orr collection are ready for digitizing, but the artifacts from the Myers collection still need to be renumbered before the digitizing can take place. If you are interested in helping with this renumbering process, please contact me.

We continue to search for an archaeology student who has a course requirement of assisting with a

AARSPA GOING GREEN!

With this edition of the **AARSPA Informer**, we will not be sending out the newsletter to those members who have opened the email and clicked on the link to access the October newsletter. We will continue to monitor our electronic mailings and continue to take members off the list receiving the newsletter by US Mail as additional members utilize the electronic version. For those members who have let us know you prefer receiving the **AARSPA Informer** via US Mail, be assured that this method of delivery will continue until we hear otherwise from you.

During this transition time, we are certain to have some glitches. If you experience such a glitch, please email us at, newsletter@aarspa.org, and let us know. We will work to address the problem. **Please do not unsubscribe yourself from the service by clicking on the "unsubscribe" at the bottom of the email containing the AARSPA Informer. Rather, email us at the address above, and let us remove you from the mailing list.** If you use the "unsubscribe" feature, it removes you from all other organizations you may belong to that use the service provider to send you information, plus it is more difficult to put you back onto the data base should you want to resume receiving the newsletter electronically in the future.

We want to thank you for working with us as we make this transition.

AARSPA INDUCTEES

MARYLAND SENIOR CITIZENS HALL OF FAME

OCTOBER 22, 2015

Betty Coleman, Mary Overholser, Carol Kirby, Dianne Rogers, and Carla Duls

Betty Coleman

After 33 years of teaching in the AACPS, Betty has become an active volunteer on various committees such as the Annapolis Human Relations Commission, the Maryland State Government Department of Health and Mental Hygiene Board of Review, the County School Board Nominating Committee, and the Bannecker-Douglas Foundation Board. She has been a Board Member and Scholarship Committee member with AARSPA. She helps provide scholarships at Mt. Olive A.M.E. Church, and clothing, eyeglasses, and scholarships through the Anne Arundel County Teachers Association Foundation.

Following the death of her daughter, an elementary school teacher for 19 years, Betty established the Robin Coleman Scholarship Fund in her memory.

Mary Overholser

Before retiring, Mary was a high school secretary and financial secretary. Mary's greatest volunteer effort involves spending many hours at the USO, manning the information desk, finding lodging or transportation for the men and women of the military, cleaning the sleep room, and stocking the snack bar. She particularly enjoys assisting Honor Flights for Veterans at local airports, often accompanying them on tours to Washington, D.C. war memorials.

Mary also volunteers at the Neonatal Intensive Care Unit at the Anne Arundel Medical Center doing general support work for the nurses, including folding laundry and restocking supplies. She has also served as treasurer of AARSPA.

Carol Kirby

For 17 years, Carol has worked with the AARSPA Membership Committee, updating record keeping by moving paper and pencil records to a computer database. She also produces a yearly membership directory. She is currently involved in making the AARSPA newsletter available electronically and also aids in its production and mailing. Other contributions to AARSPA include the maintenance and cleaning of the Free School and assisting the AACPS Human Resources in organizing packets for recruitment purposes.

Carol is an active volunteer for 20+ years with the Commodore Mayo Kiwanis Club serving the Edgewater/Mayo area.

Dianne Rogers

For the past nine years, Dianne has volunteered with Partners in Care, whose mission is to help the elderly remain in their homes. She volunteers with H.O.P.E., an organization that collects clothing, toiletries and toys for the needy, and she has been a member of Alpha Delta Kappa for 20 years.

Dianne volunteers at the Living Water Inclusive Community Church as a member of the Discernment Committee and at the Severna Park Library, where she processes reserve orders.

Dianne has served on AARSPA's Remembrance Committee for 13 years.

Carla Duls

Carla has been involved with AARSPA since her retirement from the AACPS in 2000. She has held a variety of positions including Recording Secretary, President, Historian, and Newsletter Editor/Layout Designer. At the state level, she has served as MRSPA Area II North Director and is currently Secretary.

Carla is also active with Chapter 251 of the National Active and Retired Federal Employees (NARFE), currently serving as President, Newsletter Editor, Facebook Administrator, Lupus/Alzheimer's Coordinator, and USM Representative.

She serves as a catechist, lector, Eucharistic Minister, Pastoral Council member, and Liturgy Committee Chair at her church, Our Lady of Perpetual Help.
