Happy New Year! May 2020 bring you much happiness, good health, time to share time with friends, and opportunities to provide service to others. The second General Membership/Luncheon meeting was held on November 14, 2019, at the Center of Applied Technology (CAT-N). There were more than 150 members present, including seven first time members and six emeritus members. The agenda included many officers and committee reports.

We had two excellent presentations for the membership. The first presentation was by Mr. Terry Gilleland, the President of the Anne Arundel County Board of Education. The second presentation was by Monique Jackson, who is the Deputy Superintendent for Student and School Support. Both of the speakers brought greetings and updated the AARSPA membership about current topics with the school system. After our speakers, the culinary arts students and staff prepared and served a wonderful lunch for the those present. The entertainment at the end of the meeting was the talented Old Mill High School Steel Drum Band.

Our Community Service/Consumer Education Committees distributed Vial for Life materials, shared the Little Library Project, and updated the Alzheimer's Walk. Our members donated food products to support the CAT-N service

project for local food banks to help those in need.

AARSPA was well represented at the MRSPA Legislative Workshop in November. The Voices in Melody (AARSPA Chorus) conducted eight concerts at senior centers, rehabilitation facilities, and for retiree groups during the holiday season. Other AARSPA members attended the "Christmas Spectacular" in Fredericksburg, Virginia, in December.

Also in December, a group of members volunteered at the Scholastic Warehouse in Odenton to provide four hours each of service in exchange for vouchers to be used in selecting books to be donated to new teachers in Anne Arundel County.

If you are looking for a warm weather trip, consider joining us for the 29th annual AARSPA Florida-Get-Together in St. Cloud, Florida, on Wednesday, March 18 and Thursday, March 19. Arlene and Ron Derflinger have graciously opened their home for the evening social on Wednesday.

The next General Membership Luncheon Meeting will be held at the Blue Dolphin Restaurant on February 13 with a snow date of February 20. The reservation form is in this *AARSPA Informer*. The speakers for the program

include MRSPA greetings, Anne Arundel County Partners in Care, Anne Arundel Financial Coalition, and Caregiving from the AARP Maryland Volunteer Summit.

After serving the past six months as the AARSPA President, I am blessed to have so many members that work tirelessly to support our organization. There are always opportunities with us to provide service to our members and others. Won't you consider becoming involved to move our organization forward?

Again, may you and your family have a Happy New Year!

NEWS YOU CAN USE

On Sunday, October 20, 2019, the *AARSPA from the Heart* team braved the chill and rain to participate in the Annapolis Walk to End Alzheimer's. Eighteen AARSPA members and friends walked the route through historic downtown Annapolis, raising \$3590. Members of the team are grateful for the continued support of AARSPA members!

Tony Anzalone and Karlie Everett delivered "shower bags" to the Lighthouse Shelter. Each bag contains items for those individuals who come into the Lighthouse just to take a shower.

In December, Bob Kanach, Phyllis Cherry, Dixie Stack, Deb Ahalt and Zetta Hart volunteered at the Scholastic Warehouse in Odenton. Their combined 16 hours of volunteer work earned many books for the donation to new teachers' classroom libraries in August!

When you or a loved one is being rushed to the hospital is not the time to collect the vital information doctors will need, therefore the Consumer Education Committee of MRSPA has developed a form that will provide the information the hospital will request.

Complete the form we have included and place it in a plastic sleeve, then tape the sleeve to the front of your refrigerator where Emergency Response Teams are trained to look for it. You may also want to keep a copy in your wallet and the glove compartment of your car. Consider making additional copies of the form and sharing the form with others, particularly if there is a medical condition important to the doctors. You may want to make a copy for anyone in your family for whom you are the emergency contact.

Anne Arundel County has a special program called the "Vial for Life " program. Their EMTs are trained to look for a medicine vial containing the vital information on the top shelf of the refrigerator. It is suggested you place a note on the front of the refrigerator telling them about the vial. A special blue vial to hold the information form can be gotten free of charge at some county Fire Departments. However, any medicine vial will do and can be obtained free of charge as most pharmacies.

FEBRUARY DONATIONS

If you would like to donate at the February luncheon, you have several options:

- **Children's underwear or socks** for distribution in elementary school health rooms
- **Toiletries** such as deodorant, soap, shampoo, hand sanitizer, wipes, mouthwash, hand lotions, etc.
- **Pet supplies** such as unopened canned and dry food, toys, puppy pads, metal bowls, cat carriers, litter (clay, not clumping), towels, treats, washcloths, blankets, and Petsmart/Petco gift cards

Our hope is that you will support whichever of these efforts is closest to your heart.
